

# KANGOUROU MATHEMATICS 2020

## Announcement for new dates and competition method in Cyprus

Dear students, teachers and parents, as you know, the competition that was scheduled to take place on 21st March, 2020 has been postponed due to the COVID-19 pandemic and due to the event ban policy.

As a safe solution to avoid a large number of students and parents in examination areas, the organization of the 2020 competition will be take place as described below. Based on permissions by the international organization KSF, which we represent for the organization of Kangourou Mathematics in Cyprus, the competition will be organized in two parts, A and B.

### **PART A:**

Saturday, 23 May, 2020: Internet online competition

11.00 - 12.30 Levels 1-6 (Grades 1-6, Primary School)

13.00 - 14.30 Levels 7-12 (Grades 7-12, Gymnasium - Lyceum)

The paper will be sent to the email address you provided and will be placed on the [GoogleDrive](#) (click here) 10 minutes before the start of the competition. Students will be able to work on their paper and submit their answers after entering their name, surname and code. The link to submit the answers will also be found in the GoogleDrive of the contest.

Students will have 90 minutes to complete and submit the answers while the exam will be 75 minutes. In 90 minutes the connection will be closed. No medals will be awarded based on the online result only.

Each student's code will be send by sms on 14 May 2020 to the mobile number given at registration. If you do not receive the code by 18 May, please send a message with the student's details to [info@thalescyprus.com](mailto:info@thalescyprus.com) (name, surname, date of birth, level, school, city, mobile) so the code can be sent again by email or mobile.

### **PART B:**

Students who achieve a minimum score, set by the organizers for each level separately, will qualify to be invited per level on different dates and venues in June and possibly July and according to pandemic permissions for a written exam that will determine the awarding for medals, Gold, Silver, Bronze.

***Registrations will be open until 11 May 2020 through JCCsmart only.***
