

STEAME-Students

European Networking of STEAME School Students for Exchange and Co-creation
2021-2-CY01-KA210-SCH-000047923

Parent/Guardian Permission and Agreement

REQUIRED FOR SCHOOL STUDENT UNDER THE AGE OF 16

I, "PARENT/GUARDIAN" being the parent and/or legal guardian

of PARTICIPANT SCHOOL STUDENT(NAME).....

with ID/Passport No , Year of birth.....

from School , City , Country

do hereby authorize the PARTICIPANT to enter into the online and live **STEAME STUDENTS PLATFORM** as shown in the link through the QR found in https://thalescyprus.com/?page_id=3386 (or below in QR code) managed by the consortium of the European Funded Project STEAME-Students. The project is coordinated by the THALES FOUNDATION, in cooperation with the Pedagogical University of Krakow, Poland and the DOUKAS School in Athens, Greece. Students are expected to register in the platform and will receive permission to act as a student after they submit this consent form and provided they respect the rules of the platform.

The platform and related activities have the following aims and objectives from which will contribute to the students learning and competence development in STEAME related subjects (Science, Technology, Engineering, Arts, Mathematics, Entrepreneurship), including competences relating to debate and communication.

In title these aims and objectives are:

1. Exchange of talent support approaches and practices
2. Networking of Minds
3. Co-creation mind of state
4. Exchange Project Based Learning ideas
5. Promote Science Communication Skills
6. Effective Web-based Communications
7. Facilitate the cooperation between students from different regions and countries in Europe
8. Support the learning of European languages and Cultures
9. Forming a Network of and potentially a European Association of STEAME school students

Additional benefits and opportunities: Active students will be able to receive:

- Stars for best problem postings of the month, best solution postings, best teaching videos and best group presentations.
- Have the opportunity to be invited, If interested, in the European meeting in 2023 to be active and part of the kick-off of the European STEAME School Students Network/Association.

The project intends to implement two main activities for accomplishing its aims and objectives:

Activity 1: European Online Student Creations Exchange Forum

Activity 2: Student Community Kick-off Meeting

I understand that in case the participant does not follow the rules of the platform use, the project consortium and platform administrator have the right to delete or block the account of the student participant.

Processing of participant’s personal data

I the undersigned, do hereby authorize the project STEAME-Students under the coordination of **THALES Foundation** to use, as necessary, the personal data of the participant including name, surname photographs or video recordings or audio recordings taken during the Online Platform Operations or other online communication media used for the purpose of the project or during a physical event, which include the participant and use it for project related purposes, including, to display, promote, advertise the video or photos, in printed or in digital form through internet and social media, in public media or specific television programs.

I was informed of the right to withdraw this consent by sending an email to info@thalescyprus.com . The withdrawal of consent shall not affect the lawfulness of processing based on consent before its withdrawal. Additionally, I do hereby indemnify the **THALES Foundation** and other project partners, employees and/or associated organizations, from any damages incidental or consequential, which may arise from the use of the above mentioned material.

I acknowledge that in the case the participant is invited/approved to participate in activity 2 another parent/guardian consent may be required.

I hereby accept, agree, and consent **fully, unconditionally and automatically to all the parts of the** terms stated in this document.
