

Dear Esteemed Teachers,

We are thrilled to announce a special recognition program for the school years 2022–2024 – the STEAME–Students Project Teacher Ambassador Award! This program aims to acknowledge the exceptional contributions of teachers who actively promote Science, Technology, Engineering, Arts, Mathematics, and Entrepreneurship (STEAME) learning among their students.

If you bring at least 10 students to our innovative STEAME learning platform, you will receive a prestigious certificate, officially recognizing your role as a STEAME–Students Project Teacher Ambassador.

To join the program and become a STEAME–Students Project Teacher Ambassador, simply follow the steps outlined on the right. Our team will track your progress and issue the certificate upon successful completion of the requirements.

Thank you for your unwavering commitment to shaping the future of education and fostering a love for STEAME subjects in your students. We look forward to welcoming you as a STEAME–Students Project Teacher Ambassador!

For more information, please scan or click the QR code.

Here's how to participate:

- ☑ Register for a visitor account on our STEAME platform by the [LINK](#).
- ☑ Invite at least 10 students to join the platform and write us their tags via [message](#).
- ☑ Watch your students grow and develop their skills in STEAME subjects!

As a STEAME–Students Project Teacher Ambassador, you will:

- ✓ Be recognized for your exceptional contribution to STEAME education.
- ✓ Gain special role in our platform and access to special channel which connects all our Ambassadors.
- ✓ Have the opportunity to connect with a network of like-minded educators.
